

FRINGFORD CHURCHYARD GRAVES

Notes relating to the documents called " Fringford Church Graves" and Fringford Church Graveyard":

- Plot numbers are not official. They relate to the numbers on the new 2010 plan of the Graveyard where positions of those graves still visible have been marked and numbered in as logical an order as possible. Previous plot numbers (1988 and 1994 schedules which were not official either) are the same or similar in most instances
- The use of "....." indicates that letters or numbers were either missing or undecipherable.
- The use of "?" or "??" indicate that legibility was an issue either on the gravestone or in the Burial Register.
