

Fringford Parish Council

Collation of village opinion from the 2014 Questionnaire

What we asked ourselves	What you told us	What can be done – and how and when	Who
<p>What kind of additional housing do you think Fringford needs?</p>	<p>The strongest view expressed by residents overall is, if possible, to have no more housing in the village! (42%)</p>	<p><i>On Cherwell Local Plan</i></p>	
	<p>In terms of location there was a strongly held view that any further development take place within the existing housing areas of the village.</p>	<p>Influence CDC Local Plan Part 2!</p>	<p>Parish Council</p>
	<p>Concern re large scale housing development (Either in current village housing areas or on edge of village)</p>	<p>Share Parish Council policy with CDC</p>	<p>Parish Council</p>
	<p>The type of housing cited by most respondents as acceptable was for an element of affordable, two bedroom homes to be built. (31%)</p>	<p>Influence CDC Local Plan Part 2!</p>	<p>Parish Council</p>
	<p>Beyond that there was interest in all kinds of houses being built from one bedroom up to four bedroom homes and support for the provision of some rental properties, both social and privately owned and some warden assisted housing.</p>	<p>Provide input to Parish Council and CDC - online or by letter or email</p>	<p>All Villagers</p>

What we asked ourselves	What you told us	What can be done – and how and when	Who
<p>What criteria should influence decision making on planned housing?</p> <p>What kind of housing would you like to move to within Fringford in future?</p>	<p>Unsurprisingly the style of development sought was one that helped to preserve the village character.</p> <p>Have minimal impact on rural landscape</p> <p>Have a low impact on neighbours and on green space</p> <p>Be within the existing built up boundary</p> <p>Have low impact on traffic flow</p>	<i>On regular Planning applications</i>
